

November 18, 2016

Dear Students, Parents & Guardians of the Bloomingdale Public Schools,

Maschio's Food Services will implement a Debit POS (point of sale) system in the cafeteria for students and staff of all Bloomingdale Public Schools **effective November 28, 2016**. In addition to cash and check payments, you will now have the option of paying for lunch online either with a credit card or by and electronic transfer (ACH) from your bank account. All monies received will be deposited into your child's individual account so you can monitor their purchases. This POS system will reduce time-consuming cash transactions and make our lunch lines move faster.

In order to use the internet-based payment system, which allows you to conveniently pay for your child's lunch via credit card or ACH (electronic check) please visit <http://www.payforit.net>, and then click on FAQ's. **Note:** the online service is optional, and an ICF (internet convenience fee) is charged on all transactions to offset credit card and web-site fees and maintenance. As an added feature, you can receive automated emails detailing your child's account balance and which items they purchased for lunch.

Please log on to www.payforit.net to establish an account or if you have already established an account, login using your ID and password. For all transactions made by ACH or credit card, a transaction fee of \$1.75 (ACH-electronic check) or 5.75% (credit card) will be assessed and added to your final total. This includes students who qualify for reduced lunch cost. As always, you may continue to pay by cash or check without any service fees.

Should you have any questions, please do not hesitate to email Piper McDermott at pmcdermott@maschiofood.com or call Lauren Martin in the Martha B Day Cafeteria at 973-492-1477.

Sincerely,

The logo for Maschio's Food Services, Inc. features a stylized red apple with a green leaf on the left, followed by the company name in a blue, cursive script font.
