

**American Education Week
November 12-16, 2018**

Martha B. Day School
Bloomingdale, NJ

*American Education Week -November 12-16: “ REACH, EDUCATE,
INSPIRE”*

American Education Week, which has been observed since 1921, seeks to promote active involvement and support of the community in the improvement of education. This year's theme highlights the importance of bringing together teachers, staff, parents, students, and communities in a unified effort to build great public schools. This week reflects the hard work and commitment teachers, staff, and students make each day in our public schools. In addition, the theme reflects the vision of calling upon America to provide students with quality public schools so that they can grow, prosper, and achieve in the 21st century.

If you have a child in grades Pre-K-1st, we invite you to visit your child's classes on **Tuesday, November 13th from 9:30-11:00 or 1:00-2:00**. During this time, you may visit your child's classes to observe the instructional program. Photography, videotaping, and cell phone use is prohibited. Please remember **not** to bring younger children with you, and please limit your visit to 40 minutes. Please shut off cell phones and refrain from talking with other parents while in the classroom. Your cooperation, as always, is appreciated.

Please be sure to sign the guest book in the entrance hall.

This week is also established to recognize the important contribution that our staff makes in the educational development of the children of Bloomingdale. I encourage you and your child to take the time to say "thank you" to teachers or staff members that have made a difference in his/her life.

I hope you plan on visiting on Tuesday, November 13, 2018. We are very proud of our classrooms and all your children are accomplishing. I look forward to seeing you then.

Sincerely,

Cheryl Mallen
Principal
