Cooperative Pricing System ID#E8801-ACESCPS**

WHEREAS, the Alliance For Competitive Energy Services (hereinafter referred to as “ACES”), an alliance composed of the New Jersey School Boards Association (hereinafter referred to as “NJSBA”), the New Jersey Association of School Administrators, and the New Jersey Association of School Business Officials, will from time to time during the Effective Period as defined below solicit bids from natural gas suppliers for retail natural gas supply services including interstate transportation to the local natural gas distribution utility company (Natural Gas Supply Services) through an energy aggregation program in which NJSBA will act as Lead Agency of the ACES Cooperative Pricing System #E8801-ACESCPS in accordance with the “Public School Contracts Law”, N.J.S.A. 18A:18A-1 *et seq.*, and the Electric Discount and Energy Competition Act, N.J.S.A. 48:3-49 *et seq.* (“EDECA”) and the regulations promulgated hereunder; and

WHEREAS, the Bloomingdale School District is a Participating member of the ACES Cooperative Pricing System and is eligible thereby to obtain natural gas services for its own use through one or more contracts to be awarded to natural gas suppliers following said bids for natural gas services pursuant to the aggregation program; and

WHEREAS, the Lead Agency will from time to time during the Effective Period (from date of adoption through May, 2018, hereinafter referred to as “Effective Period”) issue one or more Requests for Bids for natural gas services on behalf of the ACES Cooperative Pricing System pursuant to the Public School Contracts Law and EDECA; and

WHEREAS, due to significant volatility and the potential for price increases in the wholesale natural gas market, Participating Members will preauthorize the Lead Agency to award contracts for Natural Gas Supply Service in each service territory to one or more natural gas suppliers that submits bids which are reasonably forecasted to provide estimated savings to the Participating Member based upon its previous natural gas usage and utility provided Basic Gas Supply Service rates; and

WHEREAS, the Lead Agency will only award contracts for said Natural Gas Supply Services to natural gas suppliers that submit bids with pricing reasonably estimated to be lower than the utility-provided basic gas supply service; and

WHEREAS, the District agrees to purchase all Natural Gas Supply Services for its own use during the Effective Period through any natural gas supplier(s) awarded a contract, it being understood that the term of any one contract shall be subject to the provisions of Public School Contracts Law; and

WHEREAS, the Lead Agency will notify the Department of Community Affairs’ Division of Local Government Services by mail prior to the issuance a Request for Bids for natural gas supply services, with the understanding that if the Division of Local Government Services does not respond within 10 business days, it will be deemed to have approved the issuance of the Request for Bids or the Request for Rebids.

NOW, THEREFORE BE IT RESOLVED that the Bloomingdale School District binds itself to the ACES Cooperative Pricing System ##E8801-ACESCPS to purchase all natural gas supply services needed for its own use during the Effective Period from the natural gas supplier or suppliers awarded a contract for natural Gas supply services by the Lead Agency; and, be it

FURTHER RESOLVED that the Lead Agency of the ACES Cooperative Pricing System is hereby authorized to execute a master performance agreement that obligates the district to purchase natural gas at the terms and conditions stated therein with a third-party supplier or suppliers who have been awarded the contract

or contracts by the Lead Agency on behalf of the participating members of the ACES Cooperative Pricing System #E8801-ACESCPS (or any CPS number to be assigned in the future), and provided further that all such contracts shall be at prices reasonably forecast and estimated by the Lead Agency to provide savings to the districts relative to the price charged for basic gas supply service by the natural gas public utility that would otherwise provide such service; and, be it

FURTHER RESOLVED that ACES is authorized to continue to bid to obtain natural gas services at any time during the Effective Period on behalf of the ACES Cooperative Pricing System including, for example, a rebid if energy market conditions do not initially lead to a successful bid, on additional dates to be determined by the Lead Agency; and

FURTHER RESOLVED, that this Resolution shall take effect immediately upon passage. The authorization provided to the NJSBA pursuant to the Local Public Contracts Laws (N.J.S.A. 40A:11-11(5)), and the Local Public and Public School Contracts Laws Administrative Code (N.J.A.C. 5:34-7.1 et seq.) shall be valid until May, 2018 (the Effective Period) at which time the Cooperative Pricing System will be subject to renewal. Any rescission of this resolution shall not affect any Agreements entered into prior to such rescission or expiration.
