The Morris County Vocational School District

Combining academic programs with career and technical education for high school students in Morris County.

The Morris County Vocational School District offers the Academies of Morris County, individual magnet high schools that provide students with similar interests and aptitudes a challenging and exciting curriculum. The Academies are designed to prepare students for the rigors of college, post-secondary technical training or entry-level employment.

Who Should Apply?

An 8th grade student who:

- Is an independent learner
- Has a good work ethic
- Is able to solve problems
- Has the ability to work as a team player
- Would like real-life career experiences through internships

Benefits for Students

- Rigorous academic preparation
- Integrative technology
- Business & education collaboration
- Earn industry standard certifications
- College credits
- Internships
- Athletics
- Clubs and Activities

Admission Process

The Morris County Vocational School District welcomes interested eighth grade students to submit a completed application by December 5th and schedule the date and time for the Entrance Examination before November 1st by calling 973-627-4600 ext. 230/238.

Academy Visitations

The best way to determine if an Academy is right for your child is to attend a Parent-Student Information Session.
